J'ai l'honneur de vous informer que le Ministère de l'Education Nationale a signé un accord commercial avec la société Microsoft qui vise à permettre aux services du Rectorat, des Inspections Académiques et aux établissements du 1^{er} et du 2nd degré, de bénéficier de tarifs préférentiels pour l'achat de différents produits de la gamme Microsoft dont vous trouverez la liste en annexe (I et II).

Cet accord a été relayé par le Rectorat de l'Académie de Dijon. De ce fait, il vous est possible d'acquérir des licences aux conditions tarifaires prévues dans cet accord auprès de :

COMPUTACENTER FRANCE
2 rue du Dauphiné
21121 FONTAINE LES DIJON
☎ : 03 80 55 06 55
Fax : 03 80 55 06 51
Madame Christine BOUTON
Monsieur Philippe PACHECO

Cependant, j'attire votre attention sur deux points :

- ✓ l'accord permet à un établissement scolaire de financer des licences au profit des personnels enseignants et administratifs pour équiper leurs micro-ordinateurs personnels à condition que cela soit justifié par des raisons professionnelles. Par contre les élèves sont exclus de ce dispositif,

- ✓ à l'achat des licences, il convient de rajouter le coût d'un média (CD ROM) et éventuellement le montant de la documentation correspondant aux produits que vous souhaitez acquérir.

Le Recteur
